

Paramedics

Frisbie Memorial Hospital, Rochester, NH

Various Opportunities Available

Frisbie Memorial Hospital is unique in today's healthcare environment. Our service line is expanding, both in ambulance coverage as well as our Mobile Integrated Healthcare Program.

The Paramedic is responsible for responding to emergency requests for assistance within the immediate and mutual aid catchment's area. Paramedics will also function within the Emergency Department as a team with Physicians, Nurses and Physicians Assistants. This position will review all test results for ongoing assessment. In conjunction with the multi-disciplinary team, the Paramedic coordinates the in-hospital plan of care. Position acknowledges, coordinates and implements physician orders.

Minimum requirements include:

- Graduate of a Paramedic Program
- Nationally Registered Paramedic
- Current NH licensure
- PALS, ACLS, CPR
- Excellent driving record and currently licensed

Frisbie Memorial Hospital's ability to excel at caring for the community depends on its people. That's why we invest in our workforce and reward employees for exceptional performance — and why we offer a comprehensive and highly competitive benefits package.
