

Qualified Full Time Paramedics - \$4,000 Signing Bonus
Qualified Per Diem Paramedics - \$1,500 Signing Bonus

AMR is the largest provider of 9-1-1 EMS services in New Hampshire & the nation!

AMR provides primary 9-1-1 Paramedic level EMS to the NH communities of Nashua, Manchester and Candia as well as ALS/BLS inter-facility transport services to numerous NH acute care hospitals & medical facilities.

Performing in excess of 30,000 emergency transports in NH annually, AMR medics operate in fast paced, clinically driven EMS environments utilizing some of the most advanced technology and equipment available today. AMR in NH is nationally accredited by the Commission on Accreditation of Ambulance Services, was recognized by the American Heart Association with the 2016 Mission Lifeline Award and was named the 2016 NH EMS Unit of the Year.

Shift configurations include 8, 12 hour and 24 hours. If you enjoy practicing your medicine in a pre-hospital environment where you can truly make a difference for your patient then please consider joining us!

Limited full and per diem positions are also available for qualified EMT-Advanced candidates and include sign on bonus potential!

Interested candidates please submit your resume to rob.washer@amr.net
